And now, as a stimulant for your taste buds, here you are a recipe:

### **Roast pheasant with sweet sauce**

Boil wine, vinegar, saffron, oranges, honey and lemons to make a thick sauce. Remove the skin of the pheasant and make small holes in it with a knife. Season with pepper and salt, cover with lard and roast on a grill. Serve in a loaf with lard, salt, pepper and slices of lemon. You can also cook the pheasant with parsley, nutmeg, ginger and peppercorns.

*(From the cookbook of Anna Bornemissza, published in 1680)*
